2. Click Applied Filters Search icon button to left.

The screenshot shows the Envision & Create website interface. At the top, the navigation bar includes the logo, menu items (Home, Package Prices, TRADE Directory, Login or Register), and utility icons. Below the navigation is a search bar with a search icon, a text input field for "Search for...", a location input field for "Near...", and a "SEARCH" button. A red arrow points to a filter icon (a square with an upward arrow and three horizontal lines) located to the left of the search bar, which is labeled "Showing 1 - 8 of 8". Another red arrow points to a similar filter icon located above the first search result card, also labeled "Showing 1 - 8 of 8". To the right of this second filter icon is a "Sort by: Newest First" dropdown menu. The main content area displays a grid of search results. The first row contains three cards: 1. "LR Copywriting" with a photo of people on a lawn, listing "Media Promotions, Copywriter / Producer" and phone number "0427081465". 2. "David Parker - Newcastle Permanent Building Soc..." with a portrait photo, listing "Home Loans" and phone number "0427 123 631". 3. "HEART Publications" with a photo of a lake, listing "Media Promotions" and phone number "0417 306 098". The second row shows the top of three more cards: a photo of a dog on a sofa, a "Featured" tag over a photo of a car interior, and a photo of three people holding an award.

3. Dropdown menu will appear.
